

# ENI AWARD 2018

## REGULATIONS

### *Debut in Research: Young Talents from Africa Prizes*

Two prizes, each consisting in a customized plaque and a scholarship for the attendance of a 3 years PhD course in a prestigious Italian university or research institute, will be awarded to African students<sup>1</sup> graduated in African universities<sup>2</sup> who have written a Master degree's thesis on the following topics: water, air and land pollution prevention, rehabilitation and reuse of industrial sites; renewable energy and energy storage; innovative use of hydrocarbons and of the energy efficiency as a bridge to the decarbonisation of the energy system.

The theses must have been defended at an African University during the same year of the annual Official Announcement, or in the precedent year. The Announcement is published every year by June.

### ***Application procedure***

Applications for the *Debut in Research: Young Talents from Africa* must be presented and guaranteed by Professors, Directors of Department, Faculty Deans and Chancellors of universities and polytechnic universities, or by researchers of research institutes operating in the specific - or similar - fields for which the Prize is awarded.

Self-candidatures will not be considered.
